Vietnamese-German University

Module Evaluation Report

Name: MSc. Cai Phuc Thien Khoa

Module: Statistics
Academic year: 2023-2024
Program: A0ANY
ECTS: ---

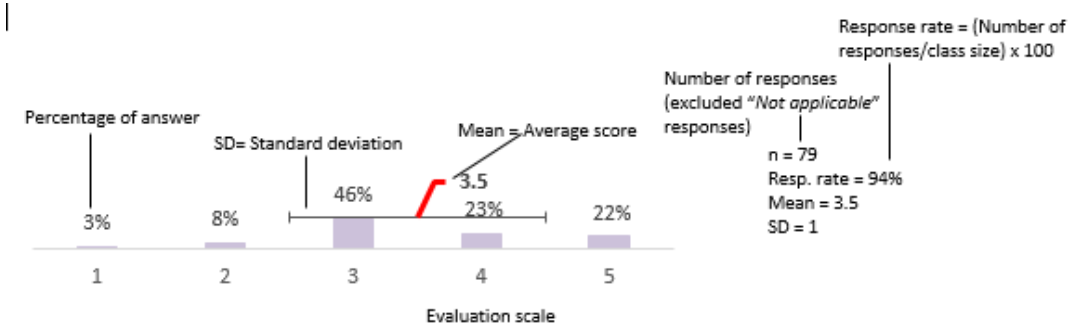

Lecturer code: VG0483
Lecturer type: ---
Module code: 62BFA102
Semester: WT2023
Program code: A0ANY
Academic hours: ---
Class size: 127

(*) Number of questionnaires received: 57

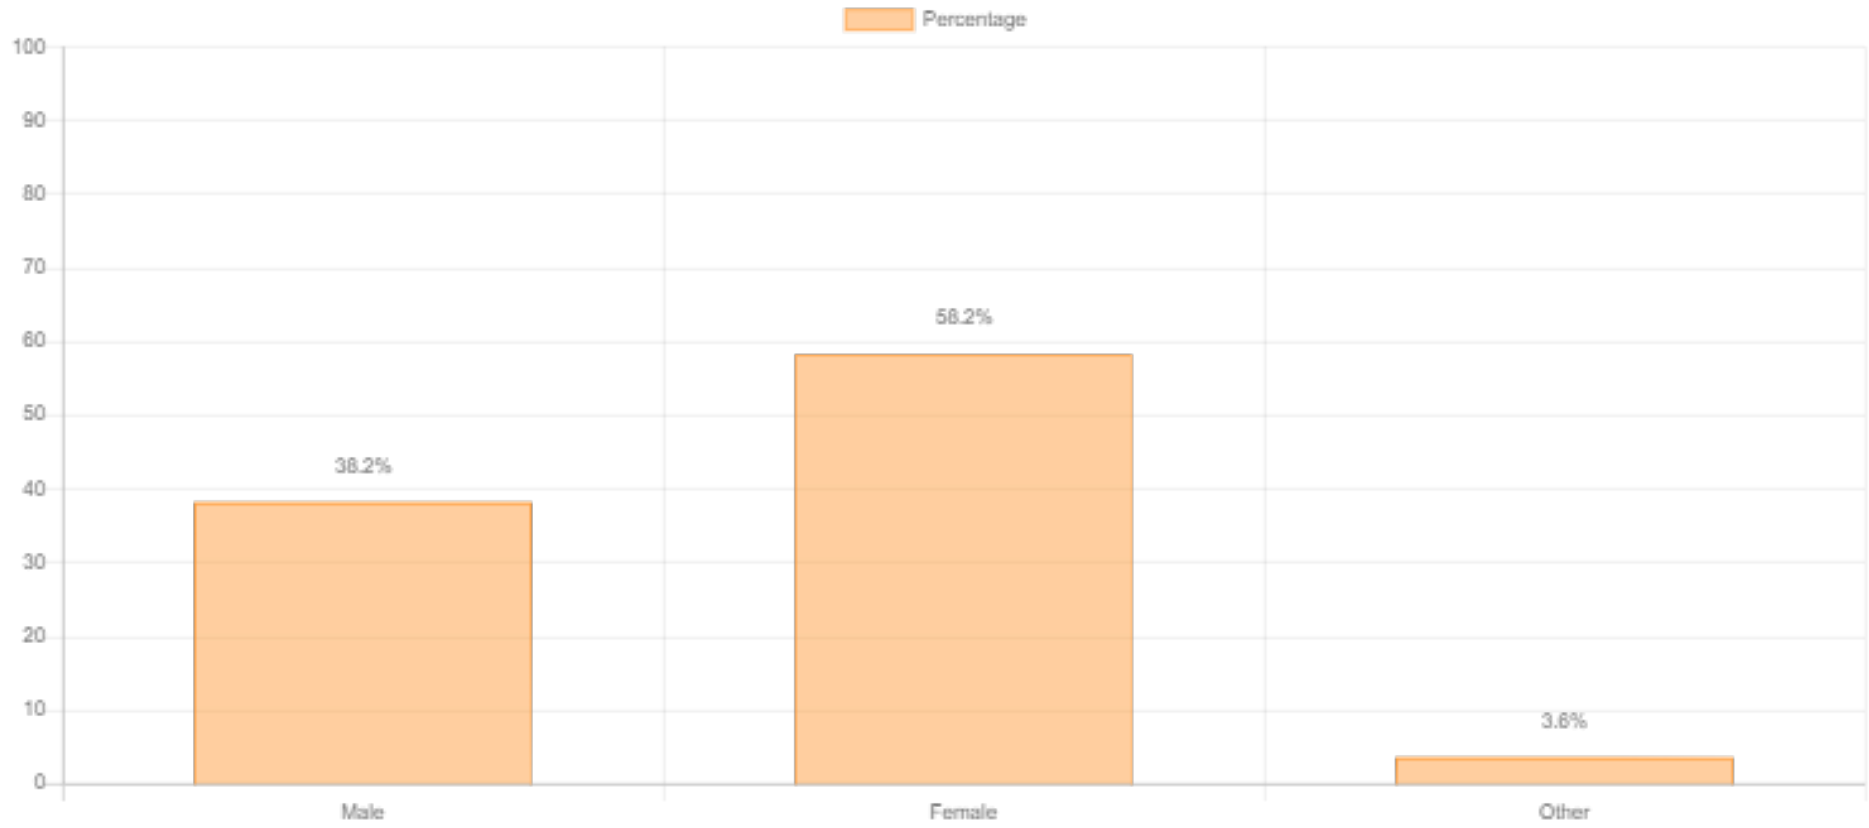

Legend:

- VGU uses an online-based questionnaire with 9 closed questions including questions 1, 2, 3, 4, 5, 6, 7, 8, 9 and 1 open question 10 to get students' feedback on and evaluations of the teaching and support of RTA or Lab Engineer of each module.
- Evaluation scale: 5-point scale. Weights from 1 (strongly disagree - lowest value) to 5 (strongly agree - highest value)
- Responses as 'not applicable' have been excluded from this calculation for average scores and percentage of responses.

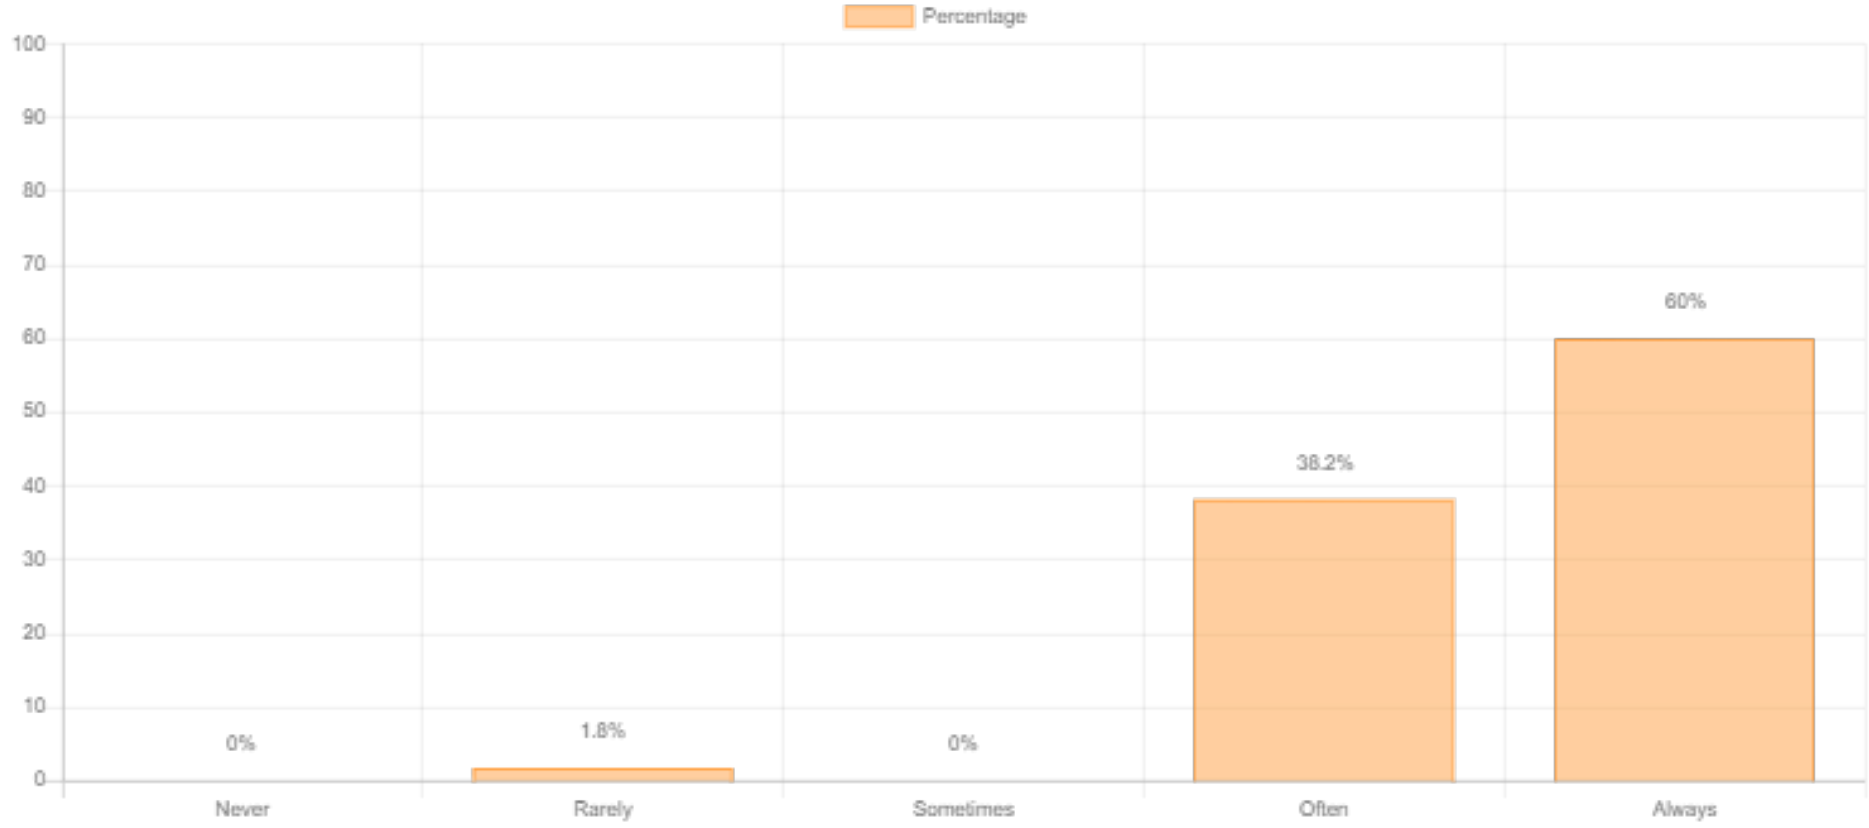

Diagram explanation:

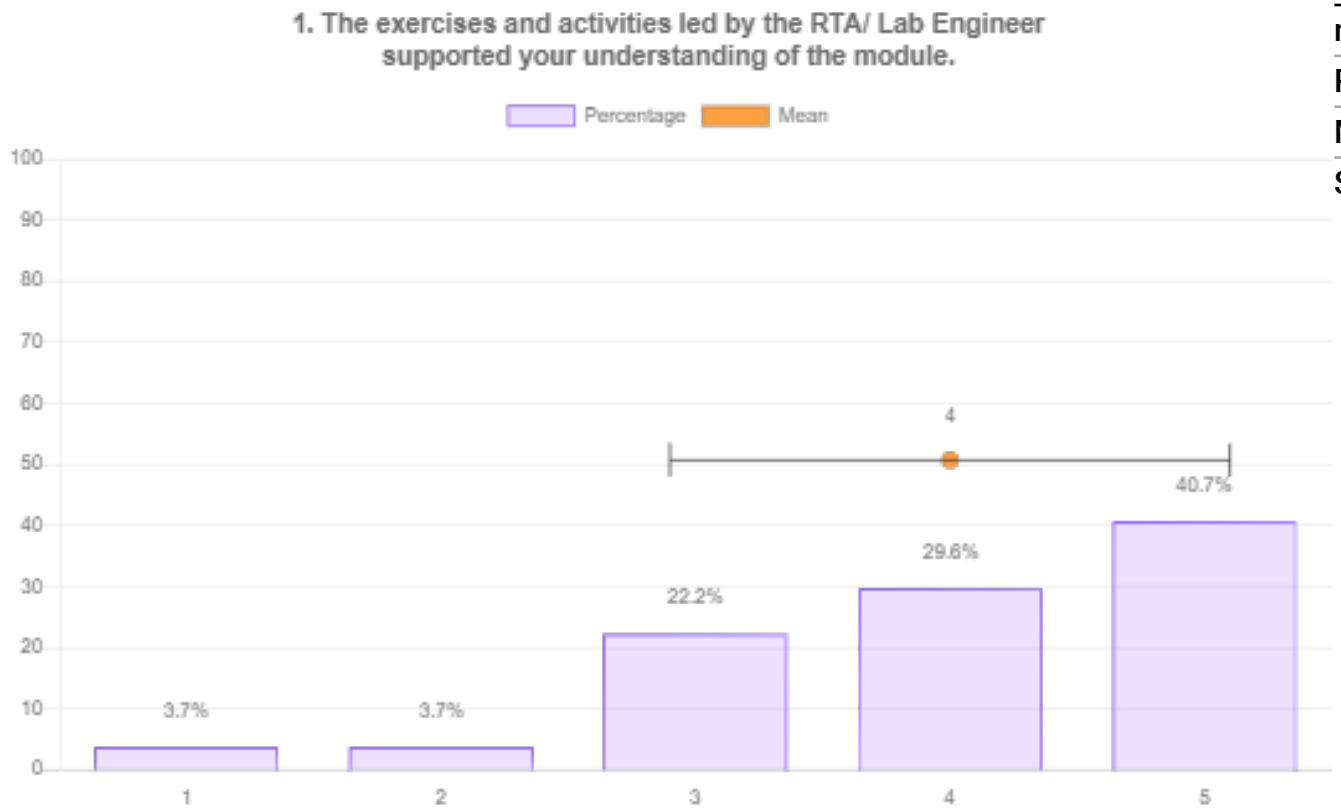

Percentage of respondents by gender

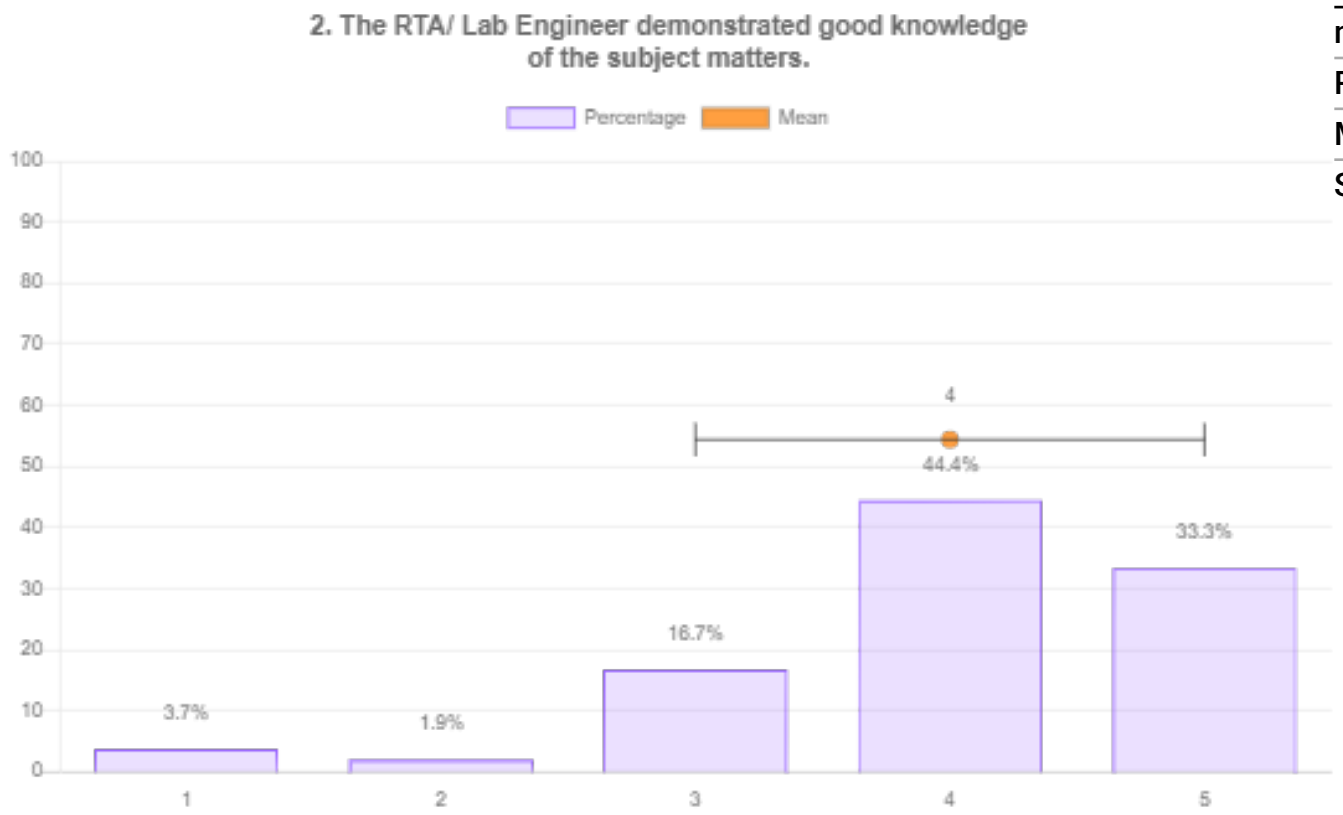

Percentage of respondents by class attendance

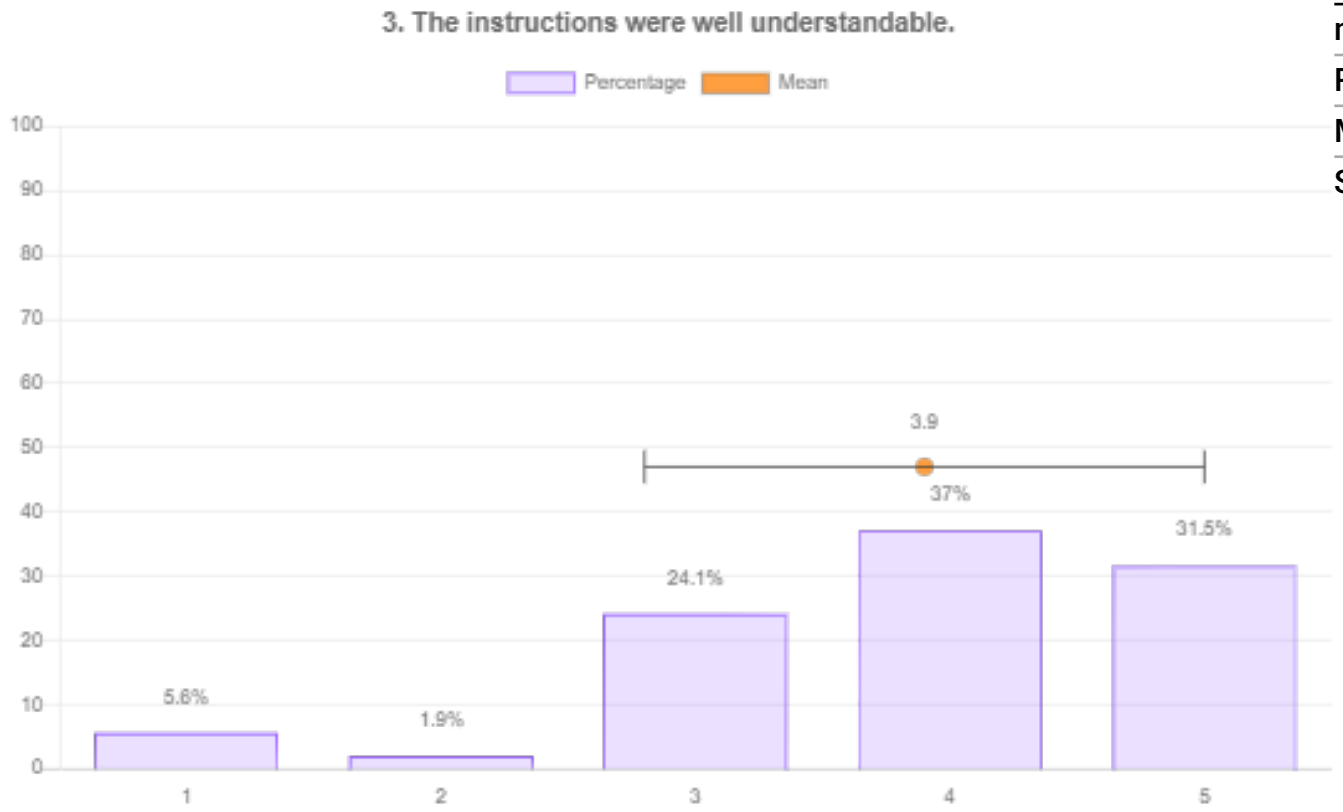

1. Evaluation results for each question
